AFTERNOON TIMES!

**KAGAMI KENJI'S CHALLENGE AGAIN
HIS OFFICIAL COMEDY FILMING!**

After receiving word
of the Silver, wrap up
our research crew
quickly! But for
the Silver, get started
at once.

Upon arrival, we
discovered that
besides our Silver
crew, there was a
variety of other
Silver crews, and
even Silver
crew on set.

Once again,
we can find how
this world is
attractive, the
attention of the
majority of the
audience.

It is a fairly
popular scene
after all.

Kagami-san
is looking
at the
woman
(Kagami's)

This scene is
very good
too!

HE SAYS HE'LL
BE BACK
YESTERDAY...

Don't
worry
about
the
woman
on
report...

It is the
Silver of
the Silver
crew's Silver
crew.

The Silver is
scheduled to be
in the Silver in
Silver next
year.

Note note: "I=I Ka" is written on the inside. Last part is cut off but I assume is "Gensho" because the cut-off part looks like Y as in Yensou. Even the word "Ka" was written as Yensou.
